3. To be added still are the scheduled YOUTH events in Edmonton (6 minimum); Calgary Lawn and Medicine Hat may schedule their own on their club calendars and the events and dates will be shared with all clubs this spring.
4. Training camps for the AB Team in preps for the Canadian Championships still needs to be added; the Canadian Championships (pairs, fours, & singles) are scheduled to be held in Edmonton Aug. 17-26 (dates still to be confirmed)
5. The Player Development Camp scheduled for July 12 will be hosted by the Royal but might be held at Commonwealth if the Royal's greens aren't ready for use.
